BECOME A LICENSED CAMO4U DEALER TODAY BY CALLING 434.229.8468

Dear Fellow Sportsman,

Thank you for your interest in becoming a licensed Camo4U dealer. We at Camo4U are proud of the growth we have experienced over the last 20 years, and we are excited about many expansion opportunities coming in the near future. Besides the large demand in the outdoor and hunting market, Camo4U has recently proven successful in other markets as well, including:

- Vinyl Sign Shops
- NASCAR and Motor sports
- Consumer Automotive Industry
- 4X4 and Off-Road
- Paintball and Extreme Sports
- Military
- Product Manufacturing
- Custom Cars and Motorcycles
- Camping, Hiking, and Backpacking
- **PLUS SO MUCH MORE!!**

We recognize the impact that our dealers have on the overall perception and success of our business and we strive to promote your business in every way possible. Our extensive marketing and advertising campaigns promote our dealers at a national level in the areas of television, magazines, sport shows, radio, and over the Internet. We often include specific dealers in advertising campaigns based on region and location.

Although Camo4U has been around for over a decade and the uses/markets of it continue to expand, many consumers have not been introduced to this revolutionary product. Our new dealers are finding the excitement and support from consumers that we found when we introduced this product 10 years ago.

Because of the support and exposure we give to our dealers, we do have certain criteria that all licensed dealers must meet. These terms and policies are included with this correspondence. A pricing sheet has also been included that displays your dealer costs and our recommended MSRP. All dealers must place an initial order of \$1500 (at the dealer rate) to receive and maintain this discounted rate. If you cannot make the \$1500 total payment, you can buy at wholesale pricing until you reach that mark.

We look forward to hearing from you and welcoming your business into the Camo4U family. If you have any questions, or when you are ready to place your order, contact the Camo4U Factory store at **434.229.8468** and ask for Jim Clinton. You can also reach us via email at camo4u@gmail.com.

Thank You,
Camo4U Enterprises
